6) DO NOT UPGRADE,

unless you want to put another weather station up.

WL

Unlock the full potential of your Weather Station

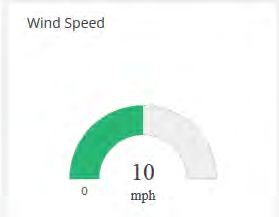

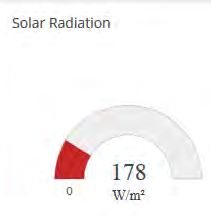

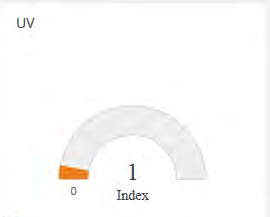

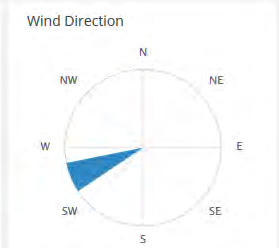

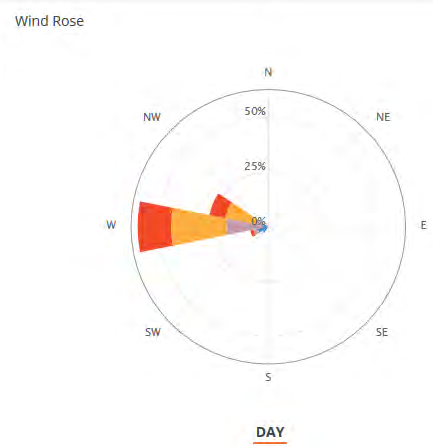

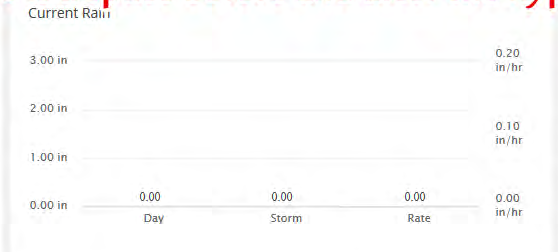

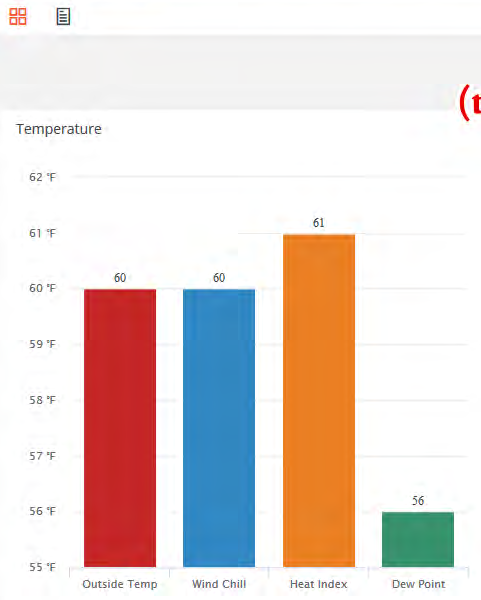

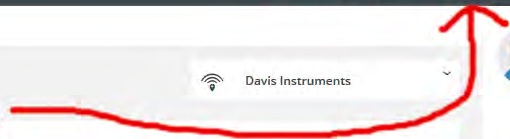

WeatherLink is home for your weather station data. Our Pro and Pro+ plans give you access to analyze and visualize historical weather data on one or more stations.

10) For more wind information, click this small little icon.

Update
Clear all Select all

Congratulations!

You can see the wind speed of the last 2 & 10 minutes, plus the gust speed, which is pretty important. All information updates every minute.
